## Lourdes and the Miraculous Cures

Presentation by Steve Hemler and Lee Granger of the Catholic Apologetics Institute of North America (CAINA)

Almost everyone has heard of the extraordinary appearances of the Virgin Mary to 14-year-old Bernadette Soubirous in Lourdes in 1858. But have you ever really explored the details of the incredible healings that have occurred since then at this small town in Southern France?

This multimedia presentation reviews the history of the apparitions and highlights several of the thousands of cures that have taken place in Lourdes, including recent ones that defy explanation even by the most skeptical medical personnel using the best modern technology.

## Saint Agnes Religious Education

### Family Gospel Chat

In today's Gospel, Jesus challenges us to go beyond mere observance of the Commandments. He wants us to really change our hearts and minds about how we show our love for God and for others.

**Q1:** How would you restate each of the 10 Commandments to a commandment to love and respect God and others?

Ex: "Thou shall not kill" can be changed to "love and recognize that human life is sacred."
