MISSION STATEMENT

Called by our Lord Jesus Christ, and strengthened by His Word and Sacraments, as faithful Catholics, we strive to be faithful missionary disciples in Jesus Christ, sharing His love with one another and all in need.

CORE VALUES

Communion: Uniting ourselves with Jesus and other baptized Christians in the Church, which has its source and summit in the Eucharist.

Holiness: Embracing the “light, love and limitless possibility” communicated by the Holy Spirit and consecrating ourselves to doing God’s will by uniting ourselves to His Son, Jesus Christ.

Joy: Delighting in the peace that comes from knowing God’s love and manifesting His love to others in the hope of sharing in His glory.

Service: Promoting the dignity of the human person by sharing our God-given time, talent and treasure with others and in service to the Church.

Discipleship & Formation: Recognizing that conversion is a gradual and lifelong process, we commit to fostering a deeper relationship with God, living a fully sacramental life, sustaining our faith through ongoing catechesis and witnessing to the love of God through Jesus in our words, actions and relationships, and passing this on to our children.

Dear St. Agnes RE Parents,

Welcome to the 2023-2024 Religious Education program at Saint Agnes Catholic Church.

The Saint Agnes RE Office is dedicated to support you in your role as primary educators of your children and supplement the faith formation they receive at home.

We have a comprehensive, robust and proudly Catholic program that features a new series of books and materials called **Word of Life** for Grades 1-5. This new textbook and online series was created by the Augustine Institute (creators of Formed.org) and Ignatius Press (publishers of Faith & Life). Grades 6-8 will continue to use the **Faith & Life Series**. Our 8th Grade students delve more deeply into the Faith through our **Chosen series** by Ascension Press. A Flipped Classroom model is used where students take classes online in preparation for their in-person class. Families can choose to register for classes on Sunday mornings from 10:15AM-11:15AM or Tuesday evenings from 6:15PM-7:15PM. **Non-parishioners will need permission from their pastor to receive Religious Education in St. Agnes.**

At your child's Baptism, you asked the Church for eternal life for your child. In doing so you accepted the responsibility of training them in the practice of the faith and acknowledged your duty to bring them up to keep God's commandments as Christ taught us, by loving God and our neighbor. We commend your commitment to keep that promise by enrolling them in Religious Education. **Nothing can replace your example and witness to your love for Christ by your in-Person prayerful participation at Sunday Mass and all Holy Days of Obligation, praying as a family, attending to your own personal faith formation and teaching them that God is the first priority in your life.**

This priority of "God First" is the reason why participation every year in Religious Education is essential. Our Sacramental preparation program is typically a two year preparation to ensure the children and their family are spiritually prepared and committed to First Penance, First Holy Communion and Confirmation. Students are given opportunities to avail of the Sacrament of Penance, adore Jesus in Holy Hour, pray the Stations of the Cross in Lent, and participate in the Nativity Play for Christmas and in the May Crowning at the end of the year. Service opportunities also abound for students and their families. Meaningful retreats are offered for sacramental year students. Faith formation opportunities and workshops help empower parents to fulfill their vocations and build community.

This Parent-Student Handbook explains our program, philosophy, and expectations. We pray that as we accompany you and your child in this spiritual journey, we may all be blessed with the grace of Jesus Christ, ever Present in our midst and especially Present in the Most Holy Eucharist.

Blessings,

OUR MISSION & VISION

At St. Agnes, we believe in the inherent dignity of every person, created out of love and for love, in the image and likeness of God.

The goal of St. Agnes Religious Education is to provide opportunities for students and families to have a profound encounter with our Trinitarian God, our Abba Father, Jesus Christ the Son, and the Holy Spirit in the Sunday liturgies, the Sacraments, the Word of God and joyful service to become intentional disciples and ambassadors for Christ.

By living a grace-filled life, nourished by prayer, strengthened by the Sacraments, and transformed by the Word of God, our students and families are empowered to grow in the Faith, deepen their relationship with God, and live out their mission to be the loving and courageous presence of Jesus Christ in a world in need of hope.

"Be who God meant you to be and you will set the world on fire."

- St . Catherine of Siena

PROGRAM DETAILS

St. Agnes Religious Education

THE ROLE OF PARENTS

Parents have the primary responsibility of raising and training their children in the Faith, as they had promised at their child's Baptism. Through their living example of faithful participation in the liturgical life of the Church, the practice of virtues and prayers, and their own lifelong discipleship, parents exercise the greatest influence on the faith of their children.

St. Agnes Religious Education strives to support parents through a formal, structured and organized program of catechesis and formation for both students and parents.

Parents are encouraged to attend to their own faith formation by participating in Christ Life (and similar programs), a 7-week evangelizing course to help them enter or renew their personal relationship with God and provide the community support they need to live as intentional disciples. Dinner will be provided. This is a great opportunity for adults to learn, to grow, to build friendship, and to journey together in the Faith.

THE FLIPPED CLASSROOM MODEL

The Flipped Classroom model allows children to learn at home (with their parents' supervision) through online lessons and activities to help them prepare for class. This frees up time in the classroom for the catechist to provide more in-depth instruction, creative exploration and opportunities for meaningful activities and liturgical celebrations.

ADORATION, DEVOTIONS & CONFESSIONS

St. Agnes students will be given several opportunities to grow in prayer and encounter Christ through participation in Holy Hour, Confessions and other seasonal devotions. Families are encouraged to take part in these activities, as well.

Through these activities, RE families are able to celebrate the richness of our Catholic Faith and live according to the liturgical seasons of the Church.

"Parents always influence the moral development of their children, for better or for worse. It follows that they should take up this essential role and carry it out consciously, enthusiastically, reasonably and appropriately."

- Pope Francis

RELIGIOUS EDUCATION POLICIES

ATTENDANCE & BEHAVIOR

Regular and consistent attendance in RE classes is essential in helping students master knowledge of the faith. Classes run for one hour: Tuesdays, 6:15PM-7:15 PM and on Sundays, 10:15AM-11:15AM. **Students are allowed no more than 4 absences (excused or unexcused).** Please inform your catechist or the Director of Faith Formation (DFF) if your child will be absent.

Students are expected to be punctual and prepared for class. Class preparation is primarily done through completion of the online lessons assigned in Word of Life (Gr. 1-5) and My Catholic Faith Delivered (Gr. 6-7).

Tardiness can be a serious disruption to the class. With only one per week, we appreciate your cooperation in getting your child/children to class ON TIME each week.

Students are expected to be respectful towards their teacher, their classmates and their environment. If a student consistently causes disruption in the class, a parent may be asked to sit in with their child for the duration of RE classes.

EARLY DISMISSALS & INCLEMENT WEATHER

If a child must leave class early, a parent is required to inform the DFF, Lisa Orosa, at drop off or via email so that the child may be brought to the Front Office for pick-up.

Students will only be released to those persons listed as authorized to pick up.

In case of inclement weather, St. Agnes follows Arlington Public Schools for class cancellations. Please check WTOG for announcements.

DRESS CODE & USE OF ELECTRONIC DEVICES

Students should dress comfortably according to the weather, but modesty in dress should always be maintained. Articles of clothing with inappropriate images or sayings (drugs, alcohol, profanity, weapons) are not permitted. Short shorts, ripped shorts, leggings, bare midriffs, (girls) or low hanging pants (boys) are not permitted. Pajamas are unacceptable. Hats must be removed before entering the building.

Students who bring cell phones to class must keep these devices turned off and out of sight. Smart watches and similar devices must also be turned off and out of sight. At no time during class are students permitted to use these devices, unless the catechist requires it for a specific activity (ex. Kahoot). Otherwise, all devices must be turned off. Failure to comply may result in the confiscation of these devices with the parents having to pick it up from the RE Office.

EXAMS AND ASSESSMENTS

In compliance with the Arlington Diocesan Standards of Learning, students will be given assessments to measure learning (not faith) and to aid the catechist in planning for lessons.

Students are expected to score 70% or higher in their online assessments with Word of Life or My Catholic Faith Delivered, for both lesson tests and unit tests. Students may retake these tests as necessary. In addition, a midterm and final exam is given to assess a student's knowledge of the subject and prayers.

Students must receive a grade of 70% or higher to be promoted to the next grade level.

RELIGIOUS EDUCATION POLICIES

CLASSROOM POLICIES

- Students are reminded that all property and possessions found in the classroom are to be left untouched. Desks are not to be moved from their allocated position.
- No food or drink, including chewing gum is allowed in the classrooms because of food allergies.
- Items that could cause injury to a student or others (including dangerous toys) are not permitted in the building.
- Every student has the right and privilege to learn in a classroom where students are well behaved. Similarly, every catechist has the right to teach in such an environment. In the event a student does not exhibit proper behavior, the catechist will call upon the Director of Faith Formation (DFF) to remove the child from the classroom. If the child is unable to refrain from the improper behavior, the DFF will enlist the support of the parents to rectify the situation.
- Students and catechists must comply with the prevailing CDC and Diocesan guidelines to keep our students and staff healthy and safe.

SACRAMENTAL PREPARATION

Students preparing for First Holy Communion and Confirmation are required to have two years of in-person instruction and preparation. Several requirements specific to sacramental preparation are detailed in a separate sacramental packet.

The best preparation to receive these sacraments is through faithful attendance of Sunday Mass and holy days of obligation in person. The Eucharist is the source and summit of our Catholic Faith because it is Christ Himself, fully Present in the Eucharist whom we receive and nourishes us. The graces received at Mass are immeasurable and necessary in the life of a disciple. The goal of sacramental preparation is to help one live a fully sacramental life.

If you are struggling to make Sunday Mass the foundation and priority in your family's life, please contact our Religious Education Office to discuss how we can help you.

In addition, mandatory retreats, mini-talks and Confirmation Youth Sundays are planned to help students reflect more deeply into the great gift of the sacraments they are to receive and to learn how to fully live out their faith amidst the challenges of the world today, and grow in their relationship with Our Lord Jesus Christ.

SAFE ENVIRONMENT TRAINING

All program employees, staff and volunteers who have direct contact with children are subject to a Police background check, fingerprinting and the completion of a VIRTUS seminar.

St. Agnes Religious Education program participates in and adheres to the Safe Environment Training Program – Formation in Christian Chastity and Circle of Grace.

These programs provide age appropriate lessons on the topic of personal safety. Catechists in the program are responsible for administering these lessons, the curriculum for which is provided by the Arlington Diocese.

THE CURRICULUM & STANDARDS OF LEARNING

TEXTBOOKS & ONLINE PROGRAM

Grades 1st through 5th use the Word of Life series by Augustine Institute and Ignatius Press. Students will receive both a textbook and access to online text and activities.

Grades 6th and 7th use Faith and Life Series published by Ignatius Press. They will receive the online book through My Catholic Faith Delivered. Children will not receive a textbook; parents will receive instructions to log-in to their account at the beginning of the school year. Students are expected to complete up to Lesson 29 of their online lessons and must receive an assessment grade of 70% or more.

All students must complete lessons prior to attending class in order to receive the benefit of the Flipped Classroom model.

8th grade will use Chosen: Your Journey towards Confirmation by Ignatius Press. Students are expected to fully engage in the discussions to get the most out of the class. Every First Sunday, students will participate in Confirmation Youth Sundays, where they will participate in discussion-based activities with young adult leaders to help them learn how to live the Faith in today's world. In addition, 8th graders are expected to review key concepts learned in previous years in order to prepare adequately for a comprehensive Confirmation exam in the Spring. The Confirmation Exam is a necessary requirement to assess the student's ability to give an explanation and defense of their Catholic Faith.

HEALTH, LEARNING DISABILITIES & OTHER CHALLENGES

If your child has a learning disability, behavioral or health related problem, please indicate this on the registration form. All information will remain confidential but will be passed on to the catechist for their assistance in teaching your child.
