Dear Parishioners,

As we celebrate this Thanksgiving, we have so much for which to be thankful. The Lord has blessed us in so many ways, some of which we take for granted. For our family and friends, with food on the table in the warmth of our homes, be thankful. For our country, which has provided so many opportunities, be thankful. For our church which carries on the mission of Christ and nourishes us by Word and Sacrament, be thankful. Our “thank you” list could go on and on. Perhaps after grace before your Thanksgiving Day meal, go around the table and allow each person to express a word of gratitude for some particular blessing.

Remember also that our thanksgiving ought to be underscored by our acts of charitable giving. Please consider giving to those in need. Many people have faced hardships here at home, whether those who suffered in western North Carolina from Hurricane Helene or the hungry in Madison County.

On behalf of Fr. Haissig, Fr. Oetjen, and Fr. Kist, I am very grateful for your support. Your giving of time, talent, and treasure makes St. Agnes a strong faith community committed in service to our Savior, each other, and the neighboring community.

Lastly, I encourage you to attend Mass this Thursday morning at 9:00 a.m. Remember, the word *Eucharist* means “thanksgiving.” The Holy Mass is the perfect way to say “thank you” to our Lord “from whom all blessings flow,” and, through prayer, to those individuals who have helped make those blessings possible.

May God bless you,
Msgr. William P. Saunders, Pastor

MEMORIAL GARDEN Bricks

When the Parish undertook the
renovation of the Church, the memorials
walls honoring children who had died
had to be removed. We saved the
names, and now we will have them
imprinted on bricks to be used as pavers
at the outdoor Stations of the Cross.
While undertaking the project, we are
offering such memorial opportunities to
all in the parish who want to have
someone remembered, living or
deceased.

- The 4x8 bricks are engraved using state-of-the-art laser technology and cost \$100 each.
- The 8x8 brick tiles are engraved using state-of-the-art laser technology and cost \$200 each.

To order go to: <https://donate.brickmarkers.com/src>
Or stop by the office to complete an order form.
All donations are tax-deductible

*These imprinted pavers will remind all of us to
pray to both the living and deceased, especially
as we pray the stations of the Cross*

“Jesus answered, ‘My Kingdom does not belong to this world.’ (John 18:36)

Life is short. How much time, energy and money do you put into building “your” kingdom here on earth? We all know we can’t take it with us.

The real kingdom is in the next life. Yet, how much time, energy and money do you invest in working for that eternal kingdom? Ask God for His guidance. Detach from earthly possessions.

Generously share your material goods with others for the greater glory of God.

Treasures from Our Tradition

Despite the fact that the feast of Christ the King was established less than a century ago, it has already undergone a shift in focus. When Pope Pius XI established this feast in 1925, nationalism and fascism were on the rise. The pope intended that it be a “vehicle for spiritual teaching,” one that would recognize the ultimate authority of Christ over all political and social scheming. The last Sunday of October was chosen as the date for the feast because of its proximity to the feast of All Saints, those men and women who bore witness to Christ’s reign in so many different ways.

The calendar reforms of 1969 moved the feast to the last Sunday of the liturgical year. There, in the context of November’s focus on the end times, Christ’s second coming at the end of all time is highlighted. The threefold cycle of readings also expands our imaginations in regard to this feast. In this year’s Gospel, Christ stands before Pilate, whose own power blinds him to the truth of the Lord’s kingdom. In a world where oppression still holds sway over too many people, this feast is somehow still as timely as when Pope Pius XI first established it.

Saint Agnes Catholic School

St. Agnes School is a Catholic community centered on the teachings of Jesus Christ and strengthened by the partnership between parents, who are the primary educators of our students, and our dedicated teaching staff.

We believe in the mission to educate our students so that they become loving Christians, inspired learners, outstanding achievers, natural communicators, and strong servants of God.

“All of Creation is a song of praise to God.” St. Hildegard of Bingen

St. Agnes students and teachers take every opportunity to develop a deeper knowledge of God and His creations. Our second graders learned the names of the planets in Spanish and used Spanish vocabulary to describe the appearance and order of the planets. Getting to know God through the planets helps us understand His plans for us and the universe.
