# First Penance & First Holy Communion

## PARENT PREPARATION AGREEMENT

I will make every effort to participate fully in my child's preparation to receive these sacraments, specifically:

I will help my child with religious education assignments and overall sacramental preparation at home.

I will ensure that my child competently completes their assigned lessons on Word of Life (digital or text) in preparation for class each week and attends class in person. My child will not be absent from RE class for more than 4 classes. Parents of RE students will also attend the Family Faith Formation sessions offered on the first RE session of each month.

I will help prepare my students by working with them to complete their First Penance and First Communion workbooks and help them prepare for their assessments to gauge their understanding and readiness to receive the Sacraments.

I will take my child to Mass on Sundays and holy days, in person. I will help them complete their Mass Journal each Sunday.

I will attend to my own personal faith formation and avail of the opportunities given by St. Agnes, especially the 1st Penance Retreat for Parents and the 1st Communion Retreat (Student & Parent).

I will make sure that my child attends the First Penance Retreat on March 2025. I will also ensure my child attends the First Communion Retreat & Practice on May 2025.

Finally, I will be a living and holy example to my children, teaching them the Faith and living a fully sacramental life through personal and family prayer and growing in virtues.
