Pregnant? Need Help? Contact Project Gabriel at Saint Agnes

The Gabriel Project is a parish-based pregnancy assistance program, supported by the Arlington Diocese Office for Family Life. Gabriel Project assists expectant mothers with love, care, and spiritual, emotional, and material support.

Volunteer to be an "angel" and accompany an expectant mom through her pregnancy and beyond. Please contact gabrielproject@saintagnes.org.

Brothers and Sisters in Christ,

I am asking you to take some specific actions throughout October to defeat two radically unjust ballot initiatives now before all Virginia voters.

Our Catholics Vote No campaign is rooted in prayer and fasting.

Therefore, on Fridays, I ask that you pray the Stations of the Cross. And fast—which means eating only one full meal and no meat.

On Sundays, I ask that you pray the Rosary and fast from social media for at least a few hours—especially before and after Mass.

It would be a powerful force if all in the Diocese of Arlington were united in these efforts. We entrust them to the Lord's amazing grace, so all that is just, right, and true will be done in this election.

May God bless you and your families.

— Bishop Michael Burbidge

What are Abortion Pills?

Read the full version at bit.ly/what-are-abortion-pills.

"Most abortions are no longer done by surgery in clinics, but by taking pills. In addition to ending the lives of babies, abortion pills are dangerous for the mothers who take them. They have been found to cause four times as many complications as surgical abortions.

In 2021, the FDA made the abortion pill available even without an in-person doctor visit. Being able to get abortion pills mailed to your home, or at your local pharmacy, means abortions are now happening everywhere and anywhere. This easier access to abortion pills also increases the chances of their being used by abusive partners or sex trafficking criminals against a woman's will."

Treasures from Our Tradition

There is a show on public television in which people search their attics for heirlooms, dust them off, and trek them downtown for ruthless evaluation by teams of antique experts. Occasionally the owners are surprised to learn they have been harboring priceless artifacts: a Tiffany bowl used to catch the car keys, a Van Gogh in the downstairs bathroom. What they lugged downtown in a paper bag, they carry home in bubble wrap and receiving blankets.

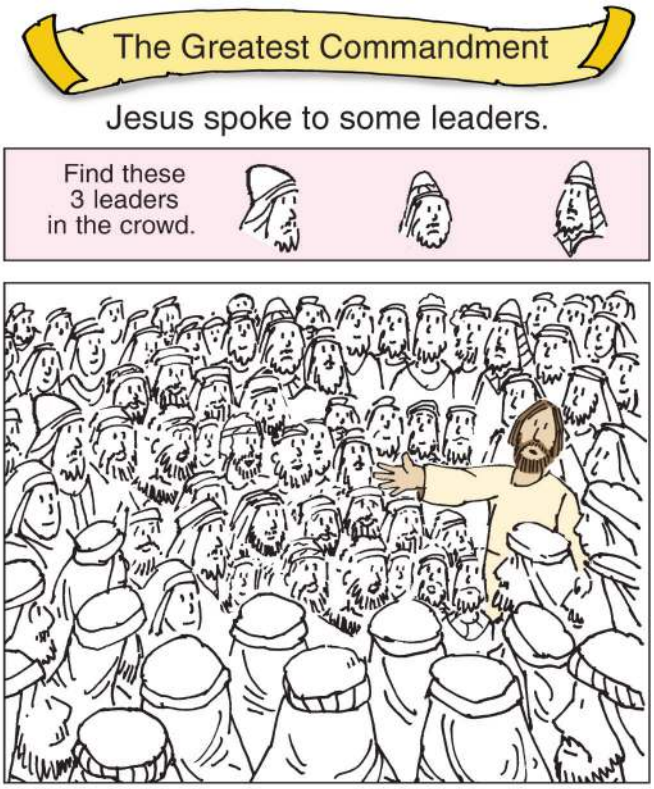

It's the same way with treasures in Church life. Lots of things were lugged up into the attic years ago, and it was inevitable that some treasures ended up in the trash. Many Catholics tucked the sacrament of penance away in a dusty corner. We know it's there if we need it, but it is not the weekly routine it once was, like the Saturday bath "whether I need it or not." Today, especially in Lent and Advent or as part of personal preparation for marriage, ordination, or other life transitions, the sacrament of penance is a treasure of the Christian life waiting to be discovered. What's in your attic? —Rev. James Field

SAINT OF THE WEEK

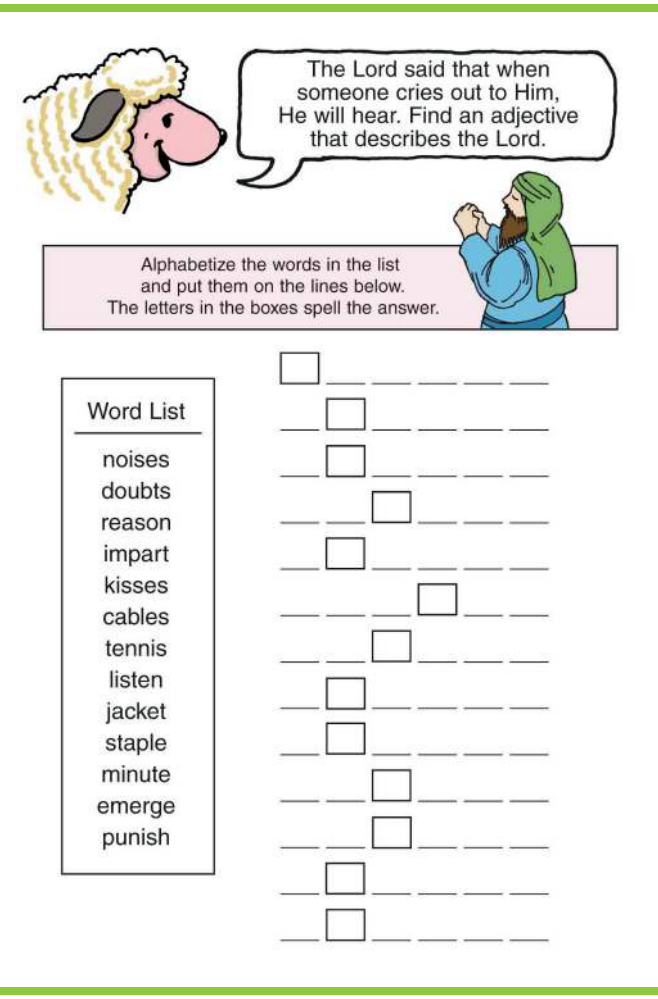

Saints Simon and Jude, Apostles
October 28

Saint Jude, apostle and... Hollywood success story? Indeed! Beyond Simon's being a "Zealot" for Israel's liberation and Jude's question about Jesus revealing himself (John 14:22), no historic facts are known about either saint. But Saint Jude's well-known patronage of "lost causes" and "hopeless cases" is largely due to a desperate vow made just before World War II by a struggling entertainer, the son of Arab-American immigrants, Danny Thomas. Unemployed, his wife about to give birth, Danny, attending Mass, impulsively donated his last $7.00 to the collection, promising: "Saint Jude, if you help me find my way in life, I will build a shrine in your honor!" Older Americans remember well Danny's long, successful movie and television career. Grateful parents worldwide know the miracles that have taken place for fifty years at his Saint Jude Children's Research Hospital, where needy children are cared for regardless of race, religion, or financial resources, and monumental advances continue in healing and preventing pediatric cancers and catastrophic childhood diseases. A living, life-giving partnership is this "Communion of Saints:" Simon, Jude, Danny Thomas—us! —Peter Scagnelli
